Dear Cole Academy Families,

It is an exciting time to be part of the Cole Academy family as we prepare for the grand opening of Cole Academy East in East Lansing. As with any major undertaking, there will be changes to our Lansing campus in order to secure the best possible education for all of our students, old and new. Trust that every change was made with intentionality, purpose and was weighed with the students first in mind. The following office changes will take place for the 2018-2019 school year.

- Mrs. Stacey Johnson will be leaving the Lansing campus to become principal at the East Lansing campus.
- Mrs. Annie Jasonowicz, our current 5th grade teacher, will become the building principal at Lansing.
- Mrs. Michelle Helmick will spend next year at the East Lansing campus to get the office system up and running.
- In her place, Ms. Amy Thompson will move from the kindergarten classroom to the secretary position here at Cole Academy Lansing.
- I, Brian Shaughnessy, will continue leading the district as superintendent and will be spending equal amounts of time at both campuses.

Cole Academy's number one focus is to create a high level of trust and learning for all. We want both of our buildings to be consistent in expectations, specialize in individualized instruction and be leaders in teamwork, collaboration and open classrooms. Our district will continue its strong family culture and rapport with families and the communities in which we serve. If you have any questions, please do not hesitate to call us at (517) 372-0038.

Sincerely,

Mr. Brian Shaughnessy
Superintendent
